

Society for the Quantitative Analyses of Behavior
43rd Annual Meeting, May 22 & May 23, 2021
Virtual

All times are Eastern Daylight Time (UTC -4)

Saturday, May 22

- 10:00 (10:00 am) Christopher A. Podlesnik, Auburn University, Auburn AL, USA: *President's Introduction*
- 10:15 (10:15 am) Wojciech Bialaszek, SWPS University of Social Sciences and Humanities, Warsaw, Poland: *Effort Discounting: Recent Advances and Remaining Challenges*
- 10:55 (10:55 am) David A. Rosenbaum, UC Riverside, Riverside CA, USA: *Choosing what to do: Observations from a Psycho-motor Laboratory, Including the Discovery of Pre-crastination*
- 11:35 (11:35 am) Poster spotlights/Nevin awards

First Poster Session 12:00 – 13:30 (12:00 - 1:30 pm)

- 13:30 (1:30 pm) Mikhail N. Koffarnus, University of Kentucky, Lexington KY, USA: *Much Ado about Zeros: Recent Thoughts on Demand Analyses*
- 14:10 (2:10 pm) Caitlin A. Orsini, University of Texas at Austin, Austin TX, USA: *Hormonal Regulation of Cost/Benefit Decision Making in Male and Female Rats*

Break: 14:50 – 15:05 (2:50 – 3:05 pm)

- 15:05 (3:05 pm) Rogelio Escobar, National Autonomous University of Mexico, Mexico City, Mexico: *The Maker Movement in the Operant Laboratory: Recording a Wide Range of Response Variation*
- 15:45 (3:45 pm) Jonathan E. Friedel, Georgia Southern University, Statesboro GA, Anne M. Foreman & Oliver Wirth, National Institute for Occupational Safety and Health, Morgantown WV, USA: *Discrete Choice Experiments: Modeling Choice of Aggregated Groups*

Break: 16:25 – 16:40 (4:25 – 4:40 pm)

- 16:40 (4:40 pm) Divya Sitaraman, CSU EastBay, Hayward CA, USA: *Sleep, Unpredictability and Behavioral Choice: You are not the Only One with Problems*
- 17:20 (5:20 pm) Sarah Cowie, University of Auckland, Auckland, New Zealand: *Choosing a Future from a Murky Past*

End 18:00 (6:00 pm)

Sunday, May 23

- 10:30 (10:30 am) Elise Furrebøe, University Agder, Kristiansand, Norway:** *Sometimes Shallow and Unsystematic: Examining the Qualitative Differences in Individual Delay Discounting*
- 11:10 (11:10 am) Wayne W. Fisher, Rutgers University/Rutgers Biomedical and Health Sciences, Piscataway NJ, USA:** *Using Quantitative Models to Promote Rapid, Generalized, and Durable Decreases in Destructive Behavior in Children with Autism*
- 11:50 (11:50 am) Poster spotlights/Nevin awards**

Second Poster Session 12:15 - 13:45 (12:15 – 1:45 pm)

- 13:45 (1:45 pm) Derek D. Reed, University of Kansas, Lawrence KS, USA:** *Applying Behavioral Economics to Public Health Crises: Historical Precedence and Translational Promise*
- 14:25 (2:25 pm) Ian Krajbich, Ohio State University, Columbus OH, USA:** *The Dynamics of Economic Behavior*

Break: 15:05 – 15:20 (3:05 – 3:20 pm)

- 15:20 (3:20 pm) Zena R. Mello, San Francisco State University, San Francisco CA, USA:** *The "i" in Time: A Subjective Conceptualization and Measurement of Time Perspective*
- 16:00 (4:00 pm) Christopher A. Podlesnik, Carolyn M. Ritchey, and Toshikazu Kuroda, Auburn University, Auburn AL, USA:** *Crowdsourcing Research on Reinforcement, Extinction, and Relapse*
- 16:40 (4:40 pm) Business meeting and award presentations**

Meeting ends 17:30 (5:30 pm)

SQAB was founded in 1978 by M. L. Commons and J. A. Nevin to present symposia and publish material that bring a quantitative analysis to bear on the understanding of behavior. SQAB proceedings focus on the development and use of mathematical formulations to characterize one or more dimensions of an obtained data set, derive predictions to be compared with data, and generate novel data analyses.

For more information, visit sqab.org or contact Suzanne Mitchell, SQAB Program Chair, at mitchesu@ohsu.edu or Todd McKerchar, SQAB Tutorial Coordinator, tmckerchar@jsu.edu
